Filing a Claim

Provide notice of a claim for benefits under this certificate as soon as possible. If there are any questions on how to file a claim, please contact us or your Employer.

Step 1 - Starting a Claim

Notice of a claim may be provided in Writing, online at: services.unum.com, or by contacting us directly at 1-800-635-5597. Notice of a claim should be provided within 30 days from the date of the Covered Loss. If notice of a claim is not provided within this time period, it will not affect a Payable Claim as long as notice is provided as soon as reasonably possible.

Step 2 - Claim Forms

After receiving notice of a claim, we will send a claim form to you or your authorized representative within 15 days from the date we receive the notice of a claim. Claim forms may also be available from your Employer or from us online at: services.unum.com.

When you or your authorized representative receive the claim form, you or your authorized representative and your Employer must fill out your own section of the claim form and provide the Insured's Physician with the applicable section of the claim form. The Insured's Physician should complete their section of the form and send it directly to us.

If you or your authorized representative do not receive a claim form from us within 15 days after we receive notice of a claim, a Written statement from you or your authorized representative establishing the nature and extent of the Covered Loss will be deemed Proof of Loss, if sent to us within the time limit stated in the Proof of Loss section below.

Completed claim forms may be submitted online or sent to us by mail or fax:

Mailing Address: The Benefits Center
P.O. Box 100158
Columbia, South Carolina 29202-3158
Fax: (800)447-2498

Step 3 - Proof of Loss

Proof of Loss must be sent to us no later than 90 days after the date of Covered Loss. If it is not reasonably possible to provide Proof of Loss within this time period, it will not affect a Payable Claim if it is provided within one year, unless the Insured lacks the legal capacity to do so.

In no event can Proof of Loss be submitted after the expiration of the time limit for commencing Legal Action as stated in this certificate, even if the failure to provide Proof of Loss is due to a lack of legal capacity or if state law provides an exception to the one year time period.

Proof of Loss, provided at your or your authorized representative's expense, must establish the nature and extent of the Covered Loss and should include but not be limited to the following:

- documentation of diagnosis or treatment provided by a Physician or medical facility and supported by clinical, radiological, histological, pathological, or laboratory evidence;
- it may also include one or more of the following:
 - a Physician's bill;
 - a Hospital bill; or
 - other proof of charges or services; and
- in the case of death, a certified copy of the death certificate, or other lawful evidence providing equivalent information.

If the Proof of Loss is not complete, we may require you to submit additional information.

After the Insured or the Insured's authorized representative have satisfied the

Claim Provisions

requirements of this provision, we will process and evaluate the information to determine if a claim is payable. We will notify the Insured or the Insured's authorized representative of a claim decision and issue payment for a Payable Claim in accordance with the Payment of Benefits provision.

Authorization for Release of Information

We may require Written authorization from an Insured or an authorized representative to allow us to obtain necessary medical and non-medical information needed for Proof of Loss. Failure to provide us with Written authorization may result in the denial of a claim if the Insured or the authorized representative does not send proof to us and we are not able to obtain the proof required to make a claim decision.

Right to Exam, Test, or Interview

We may require the Insured to be examined or tested by one or more Physicians, other medical practitioners, or vocational experts of our choice. We may also require the Insured to be interviewed by an authorized representative of ours.

We have the right to interview the Insured and to have the Insured examined or tested as often as is reasonably necessary. Any examination, test, or interview that we require will be at our expense. If the Insured fails to attend or fully participate, we will not pay benefits or we will stop sending benefits under this certificate.

Autopsy

We will have the right to request an Autopsy where it is allowed by law.

Payment of Benefits

All benefits will be paid to you, unless otherwise noted or unless we receive Written authorization to pay them elsewhere. This is an assignment of benefits, refer to the Assignment provision in the General Provisions section of this certificate.

In the event of your death, any unpaid benefits will be paid to your beneficiary in accordance with the Beneficiary Designation and Change provision.

In the event of your Spouse's death, should your Spouse have survived you and continued coverage, any unpaid benefits for your Spouse, will be paid to your surviving Spouse's beneficiary in accordance with the Beneficiary Designation and Change provision.

Beneficiary Designation and Change

When a person becomes insured under this certificate, you are responsible for designating a primary and, if applicable, a contingent beneficiary in Writing for any benefits due in the event of the Insured's death. It is important to list the full name of each beneficiary and that all beneficiary designations are kept current and provided to us or the Employer. A beneficiary designation form may be available from the Employer or from us online at: services.unum.com.

You are the beneficiary for any Insured under this certificate while you are still living unless there is a valid change in beneficiary designation by an Insured. If you wish to change your beneficiary designation, you may do so by sending us or the Employer a completed, dated, and signed beneficiary designation change form. However, if you designated an irrevocable beneficiary, such beneficiary designation cannot be changed without the consent of the irrevocable beneficiary. Changes in beneficiary designations will take effect on the date notice of the beneficiary designation is signed by you.

Payment of Benefits will be administered based upon the currently available beneficiary designation on file with us or the Employer. If we have taken any action or made any payment before receiving notice of a beneficiary designation, that beneficiary designation will not go into effect for those actions taken or payments made.

If more than one beneficiary is named and the order or share of payments is not designated, the beneficiaries will share equally. The share of a beneficiary who dies before you, the share of a beneficiary who is legally unable to receive benefits, or the share of benefits that are unallocated will pass to any surviving beneficiaries in proportion to their current allocations. The aggregated shares of benefits in excess of 100% will be deducted from surviving beneficiaries in proportion to their current allocations. If you, or a party legally acting on your behalf, has made an administrative error in completing the

Claim Provisions

beneficiary designation form, we may, in our discretion, and when possible to do so, interpret the designation in a reasonable way to enable us to pay the benefits promptly.

If a beneficiary is not named, or if all named beneficiaries do not survive you, or the named beneficiary is legally unable to receive benefits, any benefits due will be paid to the first surviving family member in the order that follows:

- you;
- your Spouse;
- your natural offspring and legally adopted Children in equal shares;
- your mother or father, or if paying both, in equal shares; or
- your sisters and brothers in equal shares.

Instead of making a payment to a surviving family member, we have the right to pay any benefits due to your estate. If there are no surviving family members, or if we are unable to determine the appropriate beneficiary(ies), any benefits due will be paid to your estate. If there is no estate, benefits will be paid as required by law.

Also, at our option, we may pay up to \$1,000 to the person or persons who, in our opinion, have incurred expenses for an Insured's last Sickness and death. Any such payment will reduce the Benefit Amount payable by us.

In the event of your death, should your Spouse survive you and elect to continue coverage under Portability of Critical Illness Insurance, your surviving Spouse should name a beneficiary according to the requirements specified within this provision.

Payments to a Minor or Incompetent Insured or Insured's Beneficiary

If an Insured or an Insured's beneficiary is a minor or is incompetent, we can pay up to \$2,000 to the person or institution that appears to have assumed the custody and main support of the Insured, the minor, or the Insured's beneficiary unless or until that Insured, the minor, or the Insured's beneficiary's appointed legal representative makes a formal claim. If we pay benefits to such person or institution, we will not have to pay those benefits again. Any such payment will reduce the Benefit Amount payable by us.

Overpayment of Claims

We have the right to recover any overpayments due to:

- fraud;
- misstatement of information;
- any error we make in processing a claim.

We must be reimbursed in full. If it is not possible to reimburse us in a lump sum payment, we will develop a reasonable method of repayment. This may include reducing or withholding future payments.

Unpaid Premium

Any Unpaid Premium due for an Insured's coverage at the time of payment for a claim may be deducted from the Insured's claim payment.

Legal Actions

If you or your authorized representative disagree with our decision, you or your authorized representative can start Legal Action regarding your claim 60 days after Proof of Loss has been given to us and up to three years from the latest of when:

- original Proof of Loss was first required to have been given to us;
- your claim was denied; or
- your benefits were terminated,

unless applicable law requires us to afford a longer period within which to bring Legal Action.

Your Rights Under ERISA

As a participant in the Plan you are entitled to certain rights and protections under the Employee Retirement Income Security Act of 1974 (ERISA). ERISA provides that all Plan participants shall be entitled to:

Receive Information About Your Plan and Benefits

Examine, without charge, at the Plan Administrator's office and at other specified locations, all documents governing the Plan, including insurance contracts, and a copy of the latest annual report (Form 5500 Series) filed by the Plan with the U.S. Department of Labor and available at the Public Disclosure Room of the Employee Benefits Security Administration.

Obtain, upon Written request to the Plan Administrator, copies of documents governing the operation of the Plan, including insurance contracts, and copies of the latest annual report (Form 5500 Series) and updated summary plan description. The Plan Administrator may make a reasonable charge for the copies.

Receive a summary of the Plan's annual financial report. The Plan Administrator is required by law to furnish each participant with a copy of this summary annual report.

Prudent Actions by Plan Fiduciaries

In addition to creating rights for Plan participants, ERISA imposes duties upon the people who are responsible for the operation of the employee benefit plan. The people who operate your Plan, called "fiduciaries" of the Plan, have a duty to do so prudently and in the interest of you and other Plan participants and beneficiaries. No one, including your Employer or any other person, may fire you or otherwise discriminate against you in any way to prevent you from obtaining a benefit or exercising your rights under ERISA.

Enforce Your Rights

If your claim for a benefit is denied or ignored, in whole or in part, you have a right to know why this was done, to obtain copies of documents relating to the decision without charge, and to appeal any denial, all within certain time schedules.

Under ERISA, there are steps you can take to enforce the above rights. For instance, if you request a copy of Plan documents or the latest annual report from the Plan and do not receive them within 30 days, you may file suit in a federal court. In such a case, the court may require the Plan Administrator to provide the materials and pay up to \$110 a day until you receive the materials, unless the materials were not sent because of reasons beyond the control of the Plan Administrator.

If you have a claim for benefits that is denied or ignored, in whole or in part, you may file suit in a state or federal court. If it should happen that Plan fiduciaries misuse the Plan's money, or if you are discriminated

against for asserting your rights, you may seek assistance from the U.S. Department of Labor, or you may file suit in a federal court. The court will decide who should pay court costs and legal fees. If you are successful, the court may order the person you have sued to pay these costs and fees. If you lose, the court may order you to pay these costs and fees, if, for example, it finds your claim is frivolous.

Assistance with Your Questions

If you have any questions about your Plan, you should contact the Plan Administrator. If you have any questions about this statement or about your rights under ERISA, or if you need assistance in obtaining documents from the Plan Administrator, you should contact the nearest office of the Employee Benefits Security Administration, U.S. Department of Labor, listed in your telephone directory or the Division of Technical Assistance and Inquiries, Employee Benefits Security Administration, U.S. Department of Labor, 200 Constitution Avenue N.W., Washington, D.C. 20210. You may also obtain certain publications about your rights and responsibilities under ERISA by calling the publications hotline of the Employee Benefits Security Administration.

Residents of Ohio who purchase life insurance, annuities or health insurance should know that the insurance companies licensed in this state to write these types of insurance are members of the Ohio Life and Health Insurance Guaranty Association. The purpose of this association is to assure that policyholders will be protected, within limits, in the unlikely event that a member insurer becomes financially unable to meet its obligations. If this should happen, the guaranty association will assess its other member insurance companies for the money to pay the claims of insured persons who live in this state and, in some cases, to keep coverage in force. The valuable extra protection provided by these insurers through the guaranty association is not unlimited, however. And, as noted in the box below, this protection is not a substitute for consumers' care in selecting companies that are well-managed and financially stable.

The Ohio Life and Health Insurance Guaranty Association may not provide coverage for this policy. If coverage is provided, it may be subject to substantial limitations or exclusions, and require continued residency in Ohio. You should not rely on coverage by the Ohio Life and Health Insurance Guaranty Association in selecting an insurance company or in selecting an insurance policy.

Coverage is NOT provided for your policy or any portion of it that is not guaranteed by the insurer or for which you have assumed the risk, such as a variable contract sold by prospectus. You should check with your insurance company representative to determine if you are only covered in part or not covered at all.

Insurance companies or their agents are required by law to give or send you this notice. However, insurance companies and their agents are prohibited by law from using the existence of the guaranty association to induce you to purchase any kind of insurance policy.

The state law that provides for this safety-net coverage is called the Ohio Life and Health Insurance Guaranty Association Act. On the back of this page is a brief summary of this law's coverages, exclusions and limits. This summary does not cover all provisions of the law; nor does it in any way change anyone's rights or obligations under the act or the rights or obligations of the guaranty association.

COVERAGE

Generally, individuals will be protected by the life and health insurance guaranty association if they live in Ohio and hold a life or health insurance contract, annuity contract, unallocated annuity contract, if they are insured under a group insurance contract, issued by a member insurer, or if they are the payee or beneficiary of a structured settlement annuity contract. The beneficiaries, payees or assignees of insured persons are protected as well, even if they live in another state.

EXCLUSIONS FROM COVERAGE

However, persons holding such policies are **not** protected by this association if:

- they are eligible for protection under the laws of another state (this may occur when the insolvent insurer was incorporated in another state whose guaranty association protects insureds who live outside that state);
- the insurer was not authorized to do business in this state;
- their policy was issued by a medical, health or dental care corporation, an HMO, a fraternal benefit society, a mutual protective association or similar plan in which the policyholder is subject to future assessments, or by an insurance exchange.

The association also does **not** provide coverage for:

- any policy or portion of a policy which is not guaranteed by the insurer or for which the individual has assumed the risk, such as a variable contract sold by prospectus;
- any policy of reinsurance (unless an assumption certificate was issued);
- interest rate yields that exceed an average rate;
- dividends;
- credits given in connection with the administration of a policy by a group contract holder;
- employers' plans to the extent they are self-funded (that is, not insured by an insurance company, even if an insurance company administers them).

LIMITS ON AMOUNT OF COVERAGE

The act also limits the amount the association is obligated to pay out: The association cannot pay more than what the insurance company would owe under a policy or contract. Also, for any one insured life, the association will pay a maximum of \$300,000, except as specified below, no matter how many policies and contracts there were with the same company, even if they provided different types of coverages. The association will not pay more than \$100,000 in cash surrender values, \$500,000 in major medical insurance benefits, \$300,000 in disability or long-term care insurance benefits, \$100,000 in other health insurance benefits, \$250,000 in present value of annuities, or \$300,000 in life insurance death benefits. Again, no matter how many policies and contracts there were with the same company, and no matter how many different types of coverages the association will pay a maximum of \$300,000, except for coverage involving major medical insurance benefits, for which the maximum of all coverages is \$500,000.

Note to benefit plan trustees or other holders of unallocated annuities (G/Cs, DA

Cs, etc.) covered by the act: For unallocated annuities that fund governmental retirement plans under Sec. 401, 403(b) or 457 of the Internal Revenue Code, the limit is \$250,000 in present value of annuity benefits including net cash surrender and net cash withdrawal per participating individual. In no event shall the association be liable to spend more than \$300,000 in the aggregate per individual, except as noted above. For covered unallocated annuities that fund other plans, a special limit of \$1,000,000 applies to each contractholder, regardless of the number of contracts held with the same company or number of persons covered. In all cases, of course, the contract limits also apply.
